Dear «resp_name»,

Thank you ever so much for your recent participation in *Understanding Society*. At the end of the interview we mentioned that there is a short self-completion questionnaire that we would like «Child_name» to complete.

We would be grateful if you could look through the blank questionnaire and, if you are happy to do so, give it to «Child_name». When «Child_name» has completed the questionnaire, they can put it into the envelope enclosed and it can be posted back to us, free of charge.

As you know one of the really important features of the survey is that everyone's answers are completely confidential. This really helps us get responses from people that are completely truthful and accurate and makes the survey one of the best in the world. This applies to all the adults who take part but also all the children, so we ask all parents/guardians to allow their children to complete the questionnaire in private. We hope you understand why this is so important, but if you have any questions, don't hesitate to contact us.

As a token of our appreciation, I have enclosed a £5 Post Office Voucher for «Child_name».
