Compute INCLUD = 1 if CLSTAT = 5

Text

In **Understanding Society**, we would normally include someone away at boarding school {if CLSTAT = 4} / working away from home {if CLSTAT = 2} as part of this household if it is their main residence. Is this the main residence for [leaver's name{ff_forname}], even if they are now somewhere else?

Options

1	Yes	Yes
2	No	No

Help

By main residence we mean sharing living accommodation or sharing at least one meal a day (including breakfast), and expecting to be resident at this address for a period of at least six (6) months.

Use

If (CLSTAT = 5) Compute INCLUD = 1;
Else: Ask ;

Hhgrid_ip13. Marstat. Legal marital status

Type	Don't Know	Refused	Inapplicable	Missing
choice	-1	-2	-8	-9

Source

UKHLS

Version

1.0

Text

Since personal circumstances can change over time, we would just like to check some important information.
What is `[/NAME]'s` / `[CNAME]'s` / `[ff_firstname]'s` / `[your]` legal marital status?

Interviewer Instruction

CODE FIRST THAT APPLIES

RECORD **LEGAL** MARITAL STATUS EVEN IF E.G. DIVORCED BUT COHABITING IN CURRENT HOUSEHOLD

Showcard

TBC

Options

1	Single and never married or never in a legally recognised Civil Partnership	Single, nvr marr/civ p
2	Married	Married
3	A Civil Partner in a legally recognised Civil Partnership	Civil Partner (legal)
4	Separated but legally married	Separated legally marr
5	Divorced	Divorced
6	Widowed	Widowed
7	SPONTANEOUS: Separated from Civil Partner	Sep from Civil Partner
8	SPONTANEOUS: A former Civil Partner, the Civil Partnership legally dissolved	A former Civil Partner
9	SPONTANEOUS: A surviving Civil Partner (partner having died)	Surviving Civil Partner

Help

The aim is to obtain legal marital status, irrespective of any de facto arrangement. The only qualification to this aim is that you should not probe the answer 'separated'. Should a respondent query the term, explain that it covers any person whose spouse is living elsewhere because of estrangement (whether the separation is legal or not). Ignore temporary absences, e.g. on oil rig.

A person whose spouse has been working away from home for over 6 months, e.g. on a contract overseas or in the armed forces, should still be coded as married and living with husband/wife if the separation is not permanent.

Mixed Mode Alternatives

Telephone Interviews

Interviewer Instruction

CODE FIRST THAT APPLIES

RECORD **LEGAL** MARITAL STATUS EVEN IF E.G. DIVORCED BUT COHABITING IN CURRENT HOUSEHOLD

Delete

Showcard

Web Interview

Scripting Notes

If mode is CAWI, show categories 7, 8 and 9 on screen without SPONTANEOUS

Options

1	Single and never married or never in a legally recognised Civil Partnership	Single and never married or never in a legally recognised Civil Partnership
2	Married	Married
3	A Civil Partner in a legally recognised Civil Partnership	A Civil Partner in a legally recognised Civil Partnership
4	Separated but legally married	Separated but legally married
5	Divorced	Divorced
6	Widowed	Widowed
7	Separated from Civil Partner	Separated from Civil Partner
8	A former Civil Partner, the Civil Partnership legally dissolved	A former Civil Partner, the Civil Partnership legally dissolved
9	A surviving Civil Partner (partner having died)	A surviving Civil Partner (partner having died)

Help

*This should be the **legal** marital status, for example if divorced but now living with someone else as a couple, the **legal** marital status should be 'divorced'. *If a partner is temporarily away but will be returning, (e.g. working away in the army or on an oil rig) the **legal** status should be recorded, for example 'married' rather than 'separated'.

Text

Does your household own this accommodation outright, is it being bought with a mortgage, is it rented or does it come rent-free?

Options

1	Owned outright	Owned outright
2	Owned/being bought on mortgage	Owned/being bought on mortgage
3	Shared ownership (part-owned part-rented)	Shared ownership (part-owned part-rented)
4	Rented	Rented
5	Rent free	Rent free
97	Other	Other

Help

Shared ownership includes co-ownership and equity sharing schemes: a share in the property is being bought. The occupier may never become the sole owner of the property but will receive a cash sum on leaving the scheme. Where accommodation is owned or part-owned by ex-spouse

or separated spouse treat as 'owned' (code 1). Do not count as rent-free cases where a rent would normally be paid but the whole amount is rebated (or paid direct to the landlord by the DWP through benefit payments). Code people who live in rent free accommodation owned by relatives as 'rent free'. If rent is paid for them by a relative or charity this should be recorded as a regular receipt in the finance grids.

Is your mortgage or loan ...

Interviewer Instruction

READ OUT

Options

1	A repayment mortgage or loan	A repayment mortgage or loan
2	An endowment mortgage	An endowment mortgage
3	Part repayment and part endowment	Part repayment and part endowment
4	Interest only	Interest only
5	Part interest only and part repayment	Part interest only and part repayment
6	Flexible mortgage	Flexible mortgage
97	Or some other type of mortgage or loan?	Or some other type of mortgage or loan?

Help

An endowment mortgage has a long term insurance policy attached which pays off the original loan. Do not count as endowment policies mortgages with a 'mortgage protection policy' which is life insurance only. A repayment mortgage is a straightforward loan where the borrower(s) repay capital and interest together.

Was any Housing Benefit such as a rent rebate or rent allowance deducted from the last rent payment?

Options

1	Yes	Yes
2	No	No

Help

Both rent rebate and rent allowance are forms of housing benefit. If the recipient is in council accommodation they will receive a rent rebate i.e. pay a reduced rent. But if the respondent is renting privately then a rent allowance will be paid either directly to the recipient or to the recipient's landlord.

Mixed Mode Alternatives**Web Interview****Help**

Both rent rebate and rent allowance are forms of housing benefit. If this is Council accommodation you will receive a rent rebate i.e. pay a reduced rent. But if this accommodation is rented privately then a rent allowance will be paid, either directly or to the landlord.

Help

Direct Debits give a company permission to take money from your bank account on an agreed date. You tell your bank or building society to let an organisation take money from your account. The organisation can collect however much you owe them and so often vary from time to time. Sometimes fuel or electricity companies will agree with you to take a fixed amount regularly by direct debit though they are free to alter this amount. You will be notified in advance how much will be taken from your account.

Standing orders give the bank an instruction to pay an exact amount to another account regularly. You determine the amount regularly paid.

HAND OVER THE GDPR PRIVACY NOTICE SHOWCARD AND ALLOW PARTICIPANT TIME TO READ IT

Text

Thank you for taking part in Understanding Society. This important social science study is managed by the Institute for Social and Economic Research (ISER) at the University of Essex.

ISER is the data controller for the study. The fieldwork for the study is contracted to Kantar Public and NatCen Social Research, who act as the data processors. Your personal details are only used so that we can send you information on how the survey is being used by researchers, and so that we can send an interviewer to you each year. These details are **never** made available to researchers or to any other companies who might use them for marketing purposes. You have the right at any time to withdraw from the survey.

For more information about your rights under the General Data Protection Regulations (GDPR) please read this showcard. {if ModeType = 1}

As you know Understanding Society is all about understanding the lives of people in the UK. To broaden out the research that can be done with Understanding Society data, we would like you to participate in a study that collects data about relationships and emotional wellbeing.

We would like you to download the Understanding Well-being {if ff_appnamew13 = 1} / Stress Tracker {if ff_appnamew13 = 2} app and use it every evening for 14 days, to record how your day has been.

Answering daily questions will take about 2 minutes {if ff_applengthw13 = 1} / 10 minutes {if ff_applengthw13 = 2} of your time each evening.

As a thank you for participating in this study, you will receive £1 for each day on which you complete the questions. {if ff_appincntw13 = 1} / questions, plus an additional £10 if you complete the questions on each of the 14 days. {if ff_appincntw13 = 2} / questions, plus you will have a chance to receive additional rewards totalling £10 if you complete the questions on each of the 14 days. {if ff_appincntw13 = 3}

Text

Thinking back to when you were 14 years old, was your father working at that time?

Options

1	Father working	Father working
2	Father not working	Father not working
3	Father deceased	Father deceased
4	Father not living with respondent so don't know	Father not living with respondent so don't know

Help

If at age 14 you were not living with your natural father, record the occupation(s) of your 'father figure' e.g. step or adopted father or guardian. If you were in institutional care (e.g. an orphanage or council home) still tell us about your father's occupations if he was alive, otherwise code appropriately if your father was deceased.

Text

Is there anyone living with you who is sick, disabled or elderly whom you look after or give special help to (for example, a sick, disabled or elderly relative, husband, wife or friend etc)?

Options

1	Yes	Yes
2	No	No

Help

Occasionally a person may not think of the care they provide as special because they either may have been looking after this person for a long time or because they view it as a natural obligation to look after a close relative, or because they think it normal to provide special care for the elderly. In some cases you may already know of someone in the household who is infirm or disabled. If you have reason to believe that someone within the household is receiving regular care because of age, infirmity or disability but this is not reported by the respondent you should ask 'And what about (NAME OF PERSON)? Do you look after them at all?' If the respondent does not agree, code answer given.

Mixed Mode Alternatives**Web Interview****Help**

Occasionally a person may not think of the care they provide as special because they either may have been looking after this person for a long time or because they view it as a natural obligation to look after a close relative, or because they think it normal to provide special care for the elderly. However, this type of caring should be included here.

Text

Do you provide some regular service or help for any sick, disabled or elderly person not living with you?

Interviewer Instruction

EXCLUDE HELP PROVIDED IN COURSE OF EMPLOYMENT

Options

1	Yes	Yes
2	No	No

Help

Exclude any care given in the course of employment (e.g. by social worker or home help) but include if they provide care unpaid outside working hours. Exclude work in drop-in centres, luncheon clubs or meals on wheels. Include any service provided including visiting, sitting with them, keeping company, taking out, checking whether or not they are alright, helping with bills etc, as well as help with housework, cooking and personal care (e.g. washing or dressing). Include only one-to-one caring so that if, for instance, someone helps with meals-on-wheels or driving people to hospital this, in itself, does not count since they may be seeing different people each day. If, on the other hand they are paired off with one specific elderly/disabled person, this would count. Include here cases where person cared for is in the same building as respondent but lives separately (e.g. a 'granny flat' or annexe). Some respondents will be caring for people as a voluntary worker rather than as a friend or relative. If caring for two parents living together, count each separately.

Mixed Mode Alternatives**Web Interview****Text**

TextCan I just check, did you do any paid work **last week** - that is in the seven days ending last Sunday - either as an employee or self-employed?**Options**

1	Yes	Yes
2	No	No

Help

Include:

*Employment for any number of hours, including Saturday jobs, and casual work, e.g. baby sitting, running mail-order clubs etc. NB Since some informants may not consider casual work to be serious work, please be prepared to probe those (e.g. housewives with dependent children, full-time students) to whom you feel this may apply.

*Anyone who was paid a wage or salary by an employer while attending an educational establishment.

*Someone working for any number of hours in a spouse's business as long as they were paid, i.e. received (or will receive) an amount of money in remuneration or a share of the profits.

*Someone working unpaid in a spouse's business provided they work 15 hours or more per week.

*Anyone else working in a friend's or relative's business, as long as he or she received (or will receive) an amount of money in remuneration or a share of the profits.

*Students on 'sandwich courses' currently with an employer or those on employer placements should be coded as employed only if they receive regular payment from the employer.

Student nurses: Nurses being trained under the PROJECT 2000 scheme which is mainly based in colleges outside hospitals should be regarded as full-time students. Unless they have other employment outside their PROJECT 2000 course they should be coded "No" at JBHAS and JBOFF. For student nurses always check if the nursing training course is part of PROJECT 2000 and proceed accordingly. If the respondent is unsure treat as employed.

Government Training Schemes: If a respondent was on such a scheme last week, they should be coded as employed if they are 'employer based'. This is defined as: 1) Last week they were with an employer or on a project providing work experience or practical training or 2) If they are normally 'employer based' but were away last week because of illness or for some other reason (including attending a college based course). If respondents are not normally 'employer based' that is they usually attend a college or other training centre, they should be coded "No" at JBHAS and JBOFF with the following exceptions: 1) those who have employment outside the training scheme. Code here as employed and take details of this secondary employment. 2) those sent on training schemes by employers who continue to pay their wages or salaries. Treat as employed and code "Attending training course" at JBOFFY. Record details of their job with the employer who has seconded them to the training scheme.

Mixed Mode Alternatives**Web Interview****Text**

Can we just check, did you do any paid work **last week** - that is in the seven days ending last Sunday - either as an employee or self-employed? Include employment for any number of hours, including casual work and Saturday jobs.

Help

Answer yes if:

*You were paid a wage or salary by an employer while attending an educational establishment.

*You worked some paid hours in your spouse's business i.e. received (or will receive) an amount of money in remuneration or a share of the

profits.

*You worked unpaid in your spouse's business provided you work 15 hours or more per week.

*You worked in a friend's or relative's business, as long as you received (or will receive) an amount of money in remuneration or a share of the profits.

*You are a student on a 'sandwich course' currently with an employer, as long as you receive regular payment from your employer.

*You were on an 'employer based' Government Training Scheme.

Leaving aside your own personal intentions and circumstances, is your job...

Interviewer Instruction

READ OUT

Options

1	A permanent job	A permanent job
2	Or is there some way that it is not permanent?	Or is there some way that it is not permanent?

Help

If respondent has more than one job, these questions should be answered with reference to their main job. The 'main job' is the highest paid. If equal earnings then it is the one with the longest hours. If a respondent is a seasonal worker who switches between jobs at different times of the year, then 'main job' is the one being done last week. Where a respondent changed jobs in the last week (that is in the seven days ending on the Sunday before interview) we require details of the job being done at the end of the week.

A permanent job is one which has no specific time limit even if a period of notice is required for dismissal.

Mixed Mode Alternatives**Web Interview****Text**

Text

Are you an employee or self-employed?

Options

1	Employee	Employee
2	Self-employed	Self-employed

Help

Where there is doubt, try to find out how they are described for tax and National Insurance purposes. For self-employed, tax is not normally deducted at source but paid directly to the Inland Revenue. People working as child minders or odd-jobbing etc are usually classified as self-employed. If someone is self employed and works under contract to an employer, he or she may be treated as an employee for tax purposes (e.g. in the construction industry). Treat such people as self-employed. For all directors and managers who say that they are self-employed, check whether they work for a limited company. If they do, code them as employees for tax and NI purposes. An employee working through an agency (e.g. secretary, nurse etc) may either be an employee of that agency (i.e. the agency pays part of their NI contributions) or an employee with each different employer they go to.

Mixed Mode Alternatives**Web Interview****Help**

If unsure whether you are an employee or you are self-employed, consider how you are described for tax and National Insurance purposes.

*Self-employed people usually pay tax directly to the Inland Revenue rather than having it deducted at source.

*People working as child minders or odd-jobbing are usually classified as self-employed.

*If you are self-employed and working under contract to an employer (e.g. in the construction industry), you may be treated as an employee for tax purposes, but please say self-employed here.

*If you are a director or manager working for a limited company, please select employee.

*Someone working through an agency may be an employee of that agency (the agency pays part of their NI contributions) or an employee of each place they work at.

Text

Do you have any managerial duties or do you supervise any other employees?

Options

1	Manager	Manager
2	Foreman/supervisor	Foreman/supervisor
3	NOT manager or supervisor	NOT manager or supervisor

Help

A manager may manage other employees through supervisors or directly, and may have a more general responsibility for policy or long term planning. Foremen and supervisors have day-to-day control over a group of workers whom they supervise directly, sometimes themselves doing some of the work they supervise. Job titles can be misleading (e.g. a 'playground supervisor' supervises children, not employees and so should be coded not a supervisor). A stores manager may be a store-keeper and not a manager or supervisor of employees.

Mixed Mode Alternatives

Web Interview

Help

This question is asking about management responsibilities over other people (i.e. work colleagues) either directly, or through supervisors.

Help

This is the total number of employees at the workplace, not just the number employed within the particular section or department in which the respondent works. Include part time and shift workers. If a respondent works from a depot or office (e.g. a service engineer), base the answer on the number of people who work from that depot. People employed by employment agencies should answer these questions with reference to the place at which they are currently working (or last worked) rather than the agency. Where someone employed by an agency worked at several different workplaces in the course of a week the answer should refer to the place where he or she worked the greatest number of hours. Similarly, people working for sub contractors or merchandisers within a larger workplace should answer with reference to the larger workplace (for example, school meals staff should answer with respect to the school rather than the kitchens, and people working on a fish stall franchise within a supermarket should answer with respect to the supermarket).

Mixed Mode Alternatives**Web Interview****Help**

Text

Your take home pay last time was £ [PAYNL] {if PAYNL > 0} / [PAYGL] {if PAYNL = 0}. Is this the amount you usually receive (before any statutory sick pay or statutory maternity, paternity or adoption pay)?

Options

1	Yes	Yes
2	No	No

Help

'Usual pay' should be straightforward for the large majority of cases. If queried 'usually' means since the last change in circumstances affecting pay such as a pay rise or a change of job. Include bonus or overtime payments, if these are usually received. If the respondent is on short time the usual pay should be that received before short-time working began. For seasonal workers record the usual amount earned in a year.

Mixed Mode Alternatives

Web Interview

Help

Text

Do you currently earn any money from a second job, odd jobs, or from work that you might do from time to time, apart from any main job you have?

Interviewer Instruction

INCLUDE BABYSITTING, MAIL ORDER AGENTS, POOLS AGENT ETC.

Options

1	Yes	Yes
2	No	No

Help

Those with a main job should be asked about any second job, odd jobs or work done from time to time, apart from that main job. Those with no (main) job should be asked about odd jobs or work done from time to time. Include any kind of work that generates income as a result of time or effort, e.g. professional or directors fees, income from a regular second job, casual work done for friends or neighbours or income from the sale of items or produce. Include only work that generates actual income, exclude any where payment is in kind or reciprocal services.

Mixed Mode Alternatives**Web Interview****Help**

*Include any work that generates income as a result of time or effort e.g. professional fees, casual work done for friends or neighbours, income from the sale of items or produce.

*Include babysitting, mail order agents, pools agent etc.

*Exclude work that does not generate income, such as where payment is in kind or reciprocal services.

3	Child Benefit	Child Benefit
4	Universal Credit	Universal Credit
96	None of these	None of these

Help

Code 1: Income Support replaced Supplementary Benefit (sometimes called Social Security Benefit) and is often paid along with other benefits as a supplement. Any maintenance payments from a former or separated spouse or for child support which are paid through the DWP or other government agencies should not be included as Income Support.

Code 2: Job Seeker's Allowance replaced Unemployment Benefit in October 1996. Those receiving JSA are capable of work and available for work and actively seeking work and have a current Job Seeker's agreement with the Employment Service. Full-time students, those on temporary release from prison and those receiving maternity allowance or statutory maternity pay are not eligible for JSA. There are two types of JSA - Contribution-based and Income-based. The Contribution-based component is paid in the first 26 weeks of unemployment if enough NI contributions have been paid. The Income-based component is a means-tested benefit (paid after 26 weeks for those who qualify for Contribution-based and pass the means-test) and is being replaced by Universal Credit.

Code 3: Child Benefit is a payment for those who are responsible for a child under 16 or over 16 and in relevant education or training. It is normally paid to the mother (unless there is none in the household) and should be shown as her income. Where it is paid into a joint bank account this should still be recorded as the mother's income.

Code 4: From October 2013 Universal Credit replaces Income Support, income-based Job Seeker's Allowance, income-related Employment Support Allowance, Housing Benefit, Child Tax Credit and Working Tax Credit.

97	Any other disability related benefit or payment	Any other disability related benefit or payment
96	None of these	None of these

Help

Code 1: Incapacity Benefit replaced NI Sickness Benefit and Invalidity Benefit in April 1995.

Code 3: Severe Disablement Allowance is for people of working age who have not been able to work for at least 28 weeks but who cannot get Incapacity Benefit. Married women unable to perform household work may also receive it.

Code 4: Carer's Allowance is for people of working age who give up working to look after someone receiving Attendance Allowance or Disability Living Allowance.

Codes 5 & 7: The Disability Living Allowance replaced the Attendance Allowance for those under 66. For those over 66 it is still the Attendance Allowance. Where the person is under 16 the Allowance will normally be paid to the person responsible for them. In such cases it should be recorded as income on the questionnaire for the responsible adult for the child. Where someone is 16 or over this should be recorded on the person's own questionnaire.

Code 10: Sickness and Accident Insurance includes any payments to compensate for lost wages during time off work through sickness.

Code 12: Personal Independence Payment (PIP) started to replace Disability Living Allowance (DLA) from 8 April 2013 for people aged 16 to 64 with a long-term health condition or disability.

96	None of these	None of these

Help

Code 2: Maternity Allowance applies only to women not eligible for Statutory Maternity Pay. Usually women receiving Maternity Allowance will be either self-employed or will have recently changed jobs.

Code 5: Working Tax Credit replaced Working Families Tax Credit and Disabled Person's Tax Credit in April 2003. It is paid to families with at least one dependent child or those with a disability who are working. In some cases it can be paid alongside JSA or income support for those not working. If the respondent qualifies for the childcare element of Working Tax Credit, this will always be paid with the Child Tax Credit, even if the respondent is not themselves in receipt of Working Tax Credit. It is, nevertheless, replaced by Universal Credit.

Code 6: Council Tax Reduction, formerly Council Tax Benefit, is usually credited to the council directly, so the benefit would show on a reduced tax bill. This can include reductions for being in receipt of other benefits but also discounts and exemptions under various circumstances including being a student, being a single person household, pensioners, or having someone in the household who is in receipt of social care. Please record the value of the reduction.

Code 8: Housing Benefit is benefit paid to help with housing costs, either by the DWP or the Local Authority. Include here only if it is paid direct to the respondent. It is being replaced by Universal Credit.

7	Rent from any other property even if that only covers that property's mortgage or running costs	Rent from any other property even if that only covers that property's mortgage or running costs
97	Or any other regular payment	Or any other regular payment
96	None of these	None of these

Help

Code 1: Student Loans are provided by the Student Loans Company in Glasgow, or some private financial institutions. They cover tuition fees and living costs whilst at University, and are repaid once the borrower starts earning over a certain amount.

Code 2: Educational Grants and Scholarships may be provided by Local Authorities, the DfES, Research Councils, charities, prospective employers (e.g. companies or the Armed Forces), educational institutions, family trusts and a number of other bodies such as Trade Unions.

Code 3: For Trade Union/ Friendly Society Payments include all payments from such bodies here with the exception of Educational Grants and Sickness or Accident Insurance. Include Strike Pay.

Code 4: Maintenance or Alimony can be received by men or women. In most cases such payments come direct but they may also come via a solicitor, a court or the DWP. If it is paid by the DWP, check it has not been included in any Income Support already mentioned.

Codes 5 & 6: Payments from a family member not living with the respondent should not include payments for 'keep' from those living there although Rent from Boarders or Lodgers (not family members) living there should be included at code 6.

Code 97: For any other regular payment, in any cases of doubt survey participants should be asked to decide for him/herself whether or not a payment is to be classed as 'regular'.

Module Benefits_w12. *Unearned Income and State Benefits module*

Benefits_w12. MisSource. Income source enumerated at previous wave but not current wave

Type	Decimals	Width	Don't Know	Refused	Inapplicable	Missing
number	0	1	-1	-2	-8	-9

Source

UKHLS

Version

1.0

Scripting Notes

MisSource is an indicator designed to identify benefit and unearned income sources that were not recorded at the current wave but were recorded at the previous wave. A flag is created for each unearned income source if it has been coded as received in the current interview. This flag is then compared with the ff variable for that income source.

If enumerated at wave t-1 and enumerated at wave t then MisSource = 0.

If not enumerated at wave t-1 and not enumerated at wave t then MisSource = 0.

If not enumerated at wave t-1 but enumerated at wave t then MisSource = 0.

If enumerated at wave t-1 but not at wave t then MisSource = 1.

This calculation becomes more complicated once Universal Credit has been introduced, because the answer at the current wave will be Universal Credit and at the previous wave it will be something else (but mean the same thing). Hence this extra code....

If lstrdate after 31/03/2013, code MisSource = 0 if claims Personal Independence Payment (BenDis = 12) and at t-1 respondent claims Disability Living Allowance (ff_bentype10).

If lstrdate after 30/09/2013, code MisSource = 0 if claims Universal Credit (BenBase = 4) and at t-1 respondent had claimed Income Support (ff_bentype15), Job Seeker's Allowance (ff_bentype16), Employment Support Allowance (ff_bentype33), Housing Benefit (ff_bentype22), Rent Rebate (ff_bentype31), Child Tax Credit (ff_bentype19) or Working Tax Credit (ff_bentype20).

In the past 12 months how much have you personally received in the way of dividends or interest from any savings and investments you may have?

Interviewer Instruction

WRITE IN TO NEAREST £
PLEASE EXCLUDE RETURNS FROM PREMIUM BONDS
IF NONE CODE 0

Help

Probe for an approximate amount. If 'don't know' there will be a series of questions to find out the range of the amount. Those who refuse will be routed past the follow-up questions.

Mixed Mode Alternatives

Web Interview

Scripting Notes

In CAM please follow this procedure:

1. Display FIYRDIA as normal.
2. If Respondent tries to skip FIYRDIA, do not display DK/PNS options. Instead Display FIYRDIA_CAWI immediately and leave FIYRDIA as missing.
3. If Respondent tries to skip FIYRDIA_CAWI display DK/PNS per usual.
4. Whatever response provided at FIYRDIA_CAWI in the data return please have non-missing values from FIYRDIA_CAWI computed into FIYRDIA.

Text

In the past 12 months how much have you personally received in the way of dividends or interest from any savings and investments you may have? Please enter an amount to the nearest pound. If no dividends or interest received, please enter 0.

Understanding important relationships people have is very important to us. We would be interested in contacting your partner as part of this study, as we may like to ask them to take part in Understanding Society in the future. We would not pass on any information that you tell us to your partner, but would only tell them that they are invited because you are part of this study.

In giving these details you are not committing your partner to take part. All participation is entirely voluntary and they could choose whether or not to participate.

If you are happy to do so, could you please provide your partner's contact details.

Text

Sometimes people move homes and forget to let us know. It's really helpful to have the contact details of someone such as a relative or friend who would be able to let us know how to contact you. So it would be great if you could give us the details of someone who could simply put us back in touch with you.

Please let this person know that you have given us their details. These are only for the survey team and will not be passed on to anyone else. The information will be stored securely. We only use their contact details if we can no longer contact you, and the person you nominate will only ever be asked how to contact you.

Last year, you told us that [ff_ctname] [, who is your [ff_ctrel], {if ff_ctrel NOT DK|REF|MIS}] would know where to find you if you had moved. Are the following details correct?

Please select any details that are INCORRECT. If you would like to change the contact person, please select all details as incorrect and update them at the next screen. {if WEB}

Interviewer Instruction

READ OUT AND CODE EACH THAT NEEDS CHANGING OR CORRECTION. IF NECESSARY, REASSURE RESPONDENT THAT THESE DETAILS ARE FOR THE SURVEY TEAM ONLY. THE DETAILS DO NOT GET PASSED TO ANYONE ELSE AND WILL BE STORED SECURELY. THE PERSON NOMINATED WILL ONLY BE ASKED HOW TO CONTACT THE RESPONDENT SO THAT THEY CAN CONTINUE TO BE PART OF THE SURVEY

YOU WILL BE ASKED TO ENTER ANY INFORMATION THAT IS MISSING FOR THIS STABLE CONTACT. IF NONE IS AVAILABLE, CODE DON'T KNOW AT THE FOLLOWING QUESTIONS.

IF RESPONDENT SPECIFIES A DIFFERENT CONTACT PERSON THEN INDICATE A CHANGE IN CONTACT'S NAME.

Thanks for taking part in this survey. The information you have given us is very useful.

We do have another 15 to 25 {if compressionw13 = 2} / 10 {if compressionw13 = 4} minutes of questions that we would like to ask you. Like the rest of the survey, these are completely voluntary and you do not have to answer them. If you would like to take part in this additional set of questions, we will give you an additional £5 incentive to thank you for your extra effort. Would you like to proceed with the extra questions?

9	Zero-hours contract	Zero-hours contract
10	On-call working	On-call working
8	Other flexible working arrangements	Other flexible working arrangements
96	None of these	None of these

Help

* Part-time working is working fewer than 30 hours per week.

* Term-time working is where a worker remains on a permanent contract but takes paid/unpaid leave during the school holidays.

* Job-sharing is a form of part-time working where two (or occasionally more) people share the responsibilities of one full-time job between them, and receive salary and benefits on a pro-rata basis.

* Flexi-time is a system where employees work a particular number of hours each week or month but can choose, within certain set limits, when to start and finish work each day.

* Working a compressed week is where a standard work week is reduced to fewer than five days, and employees make up the full number of hours by working longer hours on certain days, for example, 4-days a week or 9-day fortnight.

* To work annualised hours is where the total number of hours to be worked over the year is fixed but there is variation over the year in the length

of the working day and/or week. This is sometimes used in industries or occupations where there are seasonal variations in demand.

As you know Understanding Society is all about understanding the lives of people in the UK. To broaden out the research that can be done with Understanding Society data, we would like you to participate in a study that collects data about relationships and emotional wellbeing.

We would like you to download the Understanding Well-being {if ff_appnamew13 = 1} / Stress Tracker {if ff_appnamew13 = 2} app and use it every evening for 14 days, to record how your day has been.

Answering daily questions will take about {if ff_applengthw13 = 1} / 10 minutes {if ff_applengthw13 = 2} of your time each evening.

As a thank you for participating in this study, you will receive £1 for each day on which you complete the questions. {if ff_appincentw13 = 1} / questions, plus an additional £10 if you complete the questions on each of the 14 days. {if ff_appincentw13 = 2} / questions, plus you will have a chance to receive additional rewards totalling £10 if you complete the questions on each of the 14 days. {if ff_appincentw13 = 3}

Email text

1. Email text

Subject: Understanding Society wellbeing app – log-in information

Dear [Name]

Thank you for recently completing your annual Understanding Society survey. Your continued help with this important social study is greatly appreciated.

During the survey you were invited to download an app called Understanding Well-being {if ff_appnamew13 = 1} / Stress Tracker {if ff_appnamew13 = 2} and use it over 14 consecutive evenings to let us know how your day has been.

This will enable researchers to learn more about how the events of everyday life can affect our mood and mental wellbeing.

To take part in this wellbeing study, please go to the App Store for Apple devices or the Google Play Store for Android devices and download the Understanding Well-being {if ff_appnamew13 = 1} / Stress Tracker {if ff_appnamew13 = 2} app.

Your unique details to use the app are:

User name: [ff_wellun]

Password: [ff_wellpw]

If you have any technical questions about the app, please contact TBC. There is more information about this study on <https://www.understandingsociety.ac.uk/participants/wellbeing>.

Thank you

Michaela Benzeval

Understanding Society Director

University of Essex

2. Additional information about email addresses

a) If IV gives email address in CONTACTDETAILS_REMAIL, email is sent to address given.

b) If IV refuses email address in CONTACTDETAILS_REMAIL, email is sent to address in the sample. For joiners and continuing respondents for whom there is no email address in the sample, no email will be sent.

c) If IV's name is updated when doing the grid, email is addressed to the updated name.

d) Email address updates in the HH grid are not recognised in the IV script. This is because we don't transfer updated email addresses from the household script to the IV script via the grid variables. The only scenario where this updated email will be used is if person 1 does the grid and the household interview. In all other cases an email will be sent out to the old email address.

e) Information is not passed from the login script to the IV script as the grid variables are already set. Therefore updates to the person's name will not be recognised in the IV script and the email will include the previous name.

Text

Is there anyone living with [NAME] who is sick, disabled or elderly whom [NAME] looks after or gives special help to (for example, a sick, disabled or elderly relative/husband/wife/friend etc)?

Options

1	Yes	Yes
2	No	No

Help

Occasionally a person may not think of the care they provide as special because they either may have been looking after this person for a long time or because they view it as a natural obligation to look after a close relative, or because they think it normal to provide special care for the elderly. In some cases you may already know of someone in the household who is infirm or disabled. If you have reason to believe that someone within the household is receiving regular care because of age, infirmity or disability but this is not reported by the respondent you should ask 'And what about (NAME OF PERSON)? Does [NAME OF PROXY] look after them at all?' If the respondent does not agree, code answer given.

choice	-1	-2	-8	-9

Source

BHPS

Version

1.0

Text

Did [NAME] do any paid work last week - that is in the seven days ending last Sunday - either as an employee or self-employed?

Options

1	Yes	Yes
2	No	No

Help

Include:

*Employment for any number of hours, including Saturday jobs, and casual work, e.g. baby sitting, running mail-order clubs etc. NB Since some informants may not consider casual work to be serious work, please be prepared to probe those (e.g. housewives with dependent children, full-time students) to whom you feel this may apply.

*Anyone who was paid a wage or salary by an employer while attending an educational establishment.

*Someone working for any number of hours in a spouse's business as long as they were paid, i.e. received (or will receive) an amount of money in remuneration or a share of the profits.

*Someone working unpaid in a spouse's business provided they work 15 hours or more per week.

*Anyone else working in a friend's or relative's business, as long as he or she received (or will receive) an amount of money in remuneration or a share of the profits.

*Students on 'sandwich courses' currently with an employer or those on employer placements should be coded as employed only if they receive regular payment from the employer.

Student nurses: Nurses being trained under the PROJECT 2000 scheme which is mainly based in colleges outside hospitals should be regarded as full-time students. Unless they have other employment outside their PROJECT 2000 course they should be coded 2 at JBHAS and JBOFF. For student nurses always check if the nursing training course is part of PROJECT 2000 and proceed accordingly. If the respondent is unsure treat as employed.

Government Training Schemes: If a respondent was on such a scheme last week, they should be coded as employed if they are 'employer based'. This is defined as: 1) Last week they were with an employer or on a project providing work experience or practical training or 2) If they are

normally 'employer based' but were away last week because of illness or for some other reason (including attending a college based course). If respondents are not normally 'employer based' that is they usually attend a college or other training centre, they should be coded 2 at JBHAS and JBOFF with the following exceptions: 1) those who have employment outside the training scheme. Code here as employed and take details of this secondary employment. 2) those sent on training schemes by employers who continue to pay their wages or salaries. Treat as employed and code 4 at JBOFFY. Record details of their job with the employer who has seconded them to the training scheme.

Use

Ask JBHAS

Is [NAME] an employee or self-employed?

Options

1	Employee	Employee
2	Self-employed	Self-employed

Help

Where there is doubt, try to find out how they are described for tax and National Insurance purposes. For self-employed, tax is not normally deducted at source but paid directly to the Inland Revenue. People working as child minders or odd-jobbing etc are usually classified as self-employed. If someone is self employed and works under contract to an employer, he or she may be treated as an employee for tax purposes (e.g. in the construction industry). Treat such people as self-employed. For all directors and managers who say that they are self-employed, check whether they work for a limited company. If they do, code them as employees for tax and NI purposes. An employee working through an agency (e.g. secretary, nurse etc) may either be an employee of that agency (i.e. the agency pays part of their NI contributions) or an employee with each different employer they go to.

Text

Does [NAME] have any managerial duties or does [NAME] supervise any other employees?

Options

1	Manager	Manager
2	Foreman/supervisor	Foreman/supervisor
3	NOT manager or supervisor	NOT manager or supervisor

Help

A manager may manage other employees through supervisors or directly, and may have a more general responsibility for policy or long term planning. Foremen and supervisors have day-to-day control over a group of workers whom they supervise directly, sometimes themselves doing some of the work they supervise. Job titles can be misleading (e.g. a 'playground supervisor' supervises children, not employees and so should be coded not a supervisor). A stores manager may be a store-keeper and not a manager or supervisor of employees.
